## Speed Mentoring for Youth

THURSDAY, MARCH 22, 2018  
5:00 PM - 7:00 PM

Speed mentoring is a fun and quick way for youth to connect with professionals (mentors) from various industries to understand the wide range of careers available.

### HOW DOES SPEED MENTORING WORK?

- Speed mentoring is a series of short, focused conversations about specific questions.
- The mentor will meet with a limited number of youth in 10-minute time slots each.
- At the beginning and end of each round, a bell will ring. Youth will then proceed to the next mentor's table.
